

SIM LAB

INSTRUCTION MANUAL

XERO-PLAY™

TRIPLE PIVOT ADAPTERS SET

VERSION 2.0

Last updated: 19-11-2025

BEFORE YOU START:

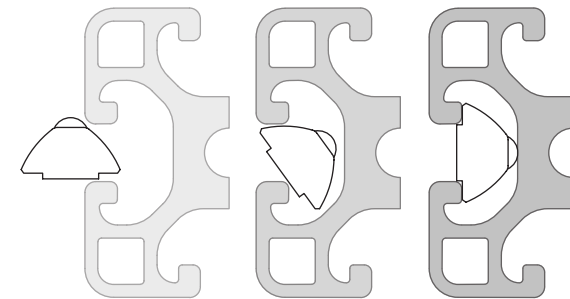

Thank you for purchasing this Sim-Lab product! On the following pages, you will find detailed instructions on assembly. This requires only a set of simple tools and some of your time. Please check the bill of materials before starting (page 6) and make sure all the parts are delivered.

This product does also show hints of our Vario VESA. If you have not found the manual for that product and need it, please use the following link:

www.sim-lab.eu/vario-vesa-manual

Inserting Slot-Nuts:

You got excited, finished the build, put the caps on, but forgot to install one element. Do not worry. It happens to everyone. In this diagram, you can see how to insert a Slot-Nut directly into the slot from the side. You can also use one of your smaller Hex wrenches to help wiggle the Slot-Nut in place.

Tools needed:

Pivot Adapter

M8 X 25

Slot-Nut M8

4X

8X

8X

Adjust arm angles to your preference.
We included markings in the pivots.

Markings are placed in 10° increments.
